

ADVOCATING FOR REALTORS® AND HOMEOWNERS

Realtors sell more than a house, they sell a community.

Their investment in the Richmond region extends well beyond the transaction. RPAC, the REALTOR® Political Action Committee, upholds that commitment – advocating for homeowners and Realtors at the local, state, and national levels to protect private property rights.

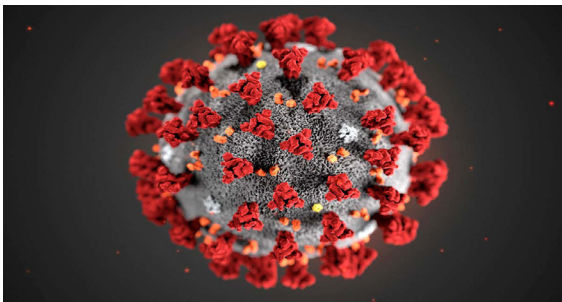

Licensing Home Inspectors

Passed consumer protection legislation that requires all home inspectors to be licensed by the state.

Virginia Consumer Protection Act (VCPA)

Added unlicensed real estate activity to the VCPA to protect homebuyers and sellers from those misrepresenting themselves as real estate licensees.

Real Estate Deemed Essential

Helped ensure that real estate was deemed essential during the initial COVID-19 lockdown.

Central Virginia Transportation Authority (CVTA)

Supported the creation of the Central Virginia Transportation Authority to shape a multi-modal transportation future for the Richmond Region.
