

ADVOCATING FOR REALTORS® AND HOMEOWNERS

REALTORS® sell more than a house - they sell a community.

Their investment in the Richmond region extends well beyond the transaction. RPAC, the REALTOR® Political Action Committee, upholds that commitment—advocating for REALTORS® and homeowners at the local, state, and national levels to protect private property rights.

Growing Together

Worked with Richmond, Chesterfield, Hanover, and Powhatan on planning for future growth.

Senior Housing Study

Produced the Senior Housing Study to quantify the existing senior housing affordability gap and the challenges that lie ahead.

Disclosure Packet Cover Sheet

Spearheaded legislation requiring HOA's and POA's to place a cover sheet on their disclosure packets or resale certificate. The sheet outlines Association policies that can lead to triggering the three day right of rescission. This includes annual dues, special assessments, rental restrictions, parking or vehicle restrictions, pet restrictions, and architectural restrictions.
