RAR Guide to Hosting an Office Watch Party

If an RAR virtual program or class is...

- ☑ **Free**
- ☑ **No CE/PLE/BCE credit**
- ☑ **Open to all RAR Members**

...then you can have a watch party!

Join the Zoom meeting up to 30 minutes early to check your tech

Project the meeting onto one large screen (such as one in your office's conference room)

Station one team member at the keyboard to submit questions on behalf of your group

Assign another team member to take notes and aggregate links
